PROFESSIONAL SUMMARY

Project Management Professional with over 5 years of experience managing projects, campaigns, events, and teams, covering project planning, resource allocation, cross-functional coordination, and operational execution. Successfully managed Special Live projects for multiple brands, achieving targeted sales and engagement results. Ready to leverage Project Management and Cross-functional Coordination expertise to drive projects toward successful delivery and organizational goals.

WORK EXPERIENCE

Project Manager

Conductor | Bangkok | May2026–Aug2026

- Managed end-to-end Finance and AI training programs and seminar projects, from curriculum development through event preparation and execution.
- Developed content plans and promotional materials for courses and the organization, improving the structure and clarity of course information for target audiences.
- Planned venues, course schedules, speakers, presentation materials, and catering to ensure all project components were ready for execution.
- Coordinated with external organizations to assess requirements, develop customized courses, calculate costs, and schedule speakers for each project.
- Developed course catalogs to support course selection and pricing, successfully closed a training course deal with LINE Thailand, and developed a seminar curriculum on application development.
- Aligned requirements among clients, speakers, and relevant teams to transform course and event concepts into executable plans.

Project Management

RipplesCommerce | Bangkok | Feb2024–Apr2026

- Managed Live Commerce operations and Special Live projects for multiple brands, overseeing teams, resources, quality standards, and performance to achieve project objectives.
- Planned workforce allocation, work shifts, MCs, live rooms, and Live Cluster capacity to ensure sufficient resources for project workloads and objectives.
- Developed Producer Leads and Producers and built new teams for incoming brands to strengthen operational readiness and support business expansion.
- Established and monitored SOP compliance while tracking sales, traffic, and people metrics to maintain operational standards and improve execution strategies.
- Built and managed Live Commerce campaigns on the Makro PRO platform for Makro's 4.4 and 5.5 campaigns, generating more than THB 20 million in combined sales across both campaigns.
- Led a Maybelline Special Live project that generated sales of more than 1,000 units and six-figure THB revenue, while also delivering a UNIQLO campaign that achieved its engagement targets.
- Coordinated with Account Management, Live Planner, and internal cluster teams to prioritize tasks, resolve operational constraints, and drive projects forward collaboratively.

Assistant Producer

MUSEAgency | Bangkok | May2020–Jan2024

- Supported end-to-end event project management, from receiving client briefs and planning through preparation and on-site execution to achieve client objectives.
- Analyzed client requirements and co-developed event concepts, translating ideas and objectives into actionable plans for project teams.
- Developed scripts, run-of-show schedules, and team responsibilities to clarify execution requirements and minimize on-site discrepancies.
- Coordinated venues, organizer teams, stage requirements, and lighting to ensure all event components were prepared according to plan.
- Supported the BLACKPINK Fan Meeting project, including client promotional campaigns and related event activities.
- Collaborated with Producers, clients, and on-site teams while resolving issues during events to maintain smooth execution and meet client requirements.

EDUCATION

Bachelor's Degree | Thammasat University | 2020

Puey Ungphakorn School of Development Studies | GPA 3.61 (Second-Class Honors)
